MOHADDISAH FARHEEN

BCA Student | Aspiring Software Developer

Kolkata, West Bengal | **Phone:** +91 9007500465 | **Email:** mohaddisahfarheen@gmail.com | **LinkedIn:** linkedin.com/in/mohaddisah-farheen-8370691a7

PROFILE

Determined third-year BCA student with a strong foundation in programming, database management, and web development. Proficient in PHP, SQL, Java, Python, and JavaScript through coursework and practical projects. Experienced in building database-driven applications with full CRUD functionality, secure authentication (password hashing, prepared statements), and RESTful API integration. Eager to apply problem-solving and software development skills in a professional environment.

TECHNICAL SKILLS

Languages & Web:	PHP, Java, Python, C, JavaScript (ES6+), HTML5, CSS3
Databases:	MySQL, SQL, Database Design, Joins, Normalization, Transactions, PDO
Backend & Security:	PHP OOP, CRUD Operations, Session/Cookie Auth, Form Validation, Prepared Statements, SQL Injection & XSS Prevention
APIs & Tools:	REST API Basics, JSON, HTTP Methods & Status Codes, Postman, XAMPP

PROJECTS

Student Record Management System — PHP | MySQL | JavaScript | HTML | CSS

- Developed a database-driven web application to manage student records with complete CRUD functionality.
- Implemented secure database transactions using PHP PDO, form validation, and prepared statements to prevent SQL injection.
- Built an integrated search module for fast querying and retrieval of student data.

User Registration & Login System — PHP | MySQL | HTML | CSS

- Built a secure authentication system featuring user registration, login, and session persistence.
- Applied secure password hashing/verification algorithms and server-side validation to protect credentials.

Online Quiz Application — PHP | MySQL | JavaScript | HTML | CSS

- Engineered an interactive quiz platform with automated score calculation and dynamic JavaScript UI interactions.
- Designed relational database schemas connecting users, quizzes, and score results with session management.

EDUCATION

Bachelor of Computer Applications (BCA) — 2024 – 2027 (Currently in 3rd Year)
Kanyashree College (Affiliated to MAKAUT) | **CGPA: 8.50** (4 Semesters: 8.66, 8.50, 8.63, 8.22)

Higher Secondary (Class XII) — Science — 2024 | 86.60% (433 Marks)
Gyan Bharati Balika Vidyalaya | Board: WBCHSE

Secondary (Class X) — 2022 | 89.00% (623 Marks)
The Calcutta Anglo Gujarati School | Board: WBBSE

CERTIFICATIONS & CORE COMPETENCIES

- **GEN AI NASSCOM Certificate of Completion:** SFJ Skill Development Program (Issued: July 2026).
- **Core Competencies:** Data Structures & Algorithms (Basics), Code Debugging, Technical Documentation, MS Office Suite (Word, PowerPoint).
